

We are so grateful for your organization's interest in donating to Operation First Day of School! Below are lists of the supplies that each grade level needs, along with an approximate cost for all of the supplies for that grade level. We have also provided optional packaging instructions; if your group would like to package the items, we would greatly appreciate it, but our volunteers are also happy to package them. If your group prefers to give a financial donation, our volunteers will be glad to shop for the supplies. If you have any questions, please feel free to call Jenny Bridges at 972-923-4631.
