

CEIC Meeting Minutes

9/16/20

Meeting started at 3:45

- We started with sharing out celebrations.
- Mrs. Malone shared the purpose of the CEIC. Our representatives for the DEIC will be Mandy Allen and Monica Chilton
- We looked over our Title 1 presentation for any corrections or adjustments that may need to be made before we sent it out to parents.
- We reviewed the School-Parent Compact.

Open Forum

- Mr. Bruce asked, “When we send a student down to the nurse and she isn’t there, what should we do with that student?” **If a student is believed to have COVID related symptoms, teachers should follow protocols to radio to the nurse for her to come do an assessment of that student by their classroom. If there isn’t a COVID concern, that student can go to the front office or back to their classroom (if non-emergency) until the nurse can be reached.**
- Mrs. Moseley asked if we could adjust specials classes by 5 minutes to allow for extra time to walk to the next grade level. **Mrs. Malone and Mrs. Bray will look at this as we make adjustments for the 2nd 6 weeks.**
- Mrs. Hall asked about the bell schedule and why the bells only rang sometimes. **We will put in a work order for this to be checked.**
- Ms. Moon stated that staff morale may be affected right now with all that teachers are required to do at this time. **As a CEIC team we brainstormed ideas to add in more fun and/or treats for staff to continue to boost morale.**

Questions for DEIC

When will we be a one to one district as far as student devices are concerned?

CEIC Members:

Teresa Hall
Mandy Allen
Reagan Bruce
Courtney Moseley
