IV. REVIEW of DEIC Responses from November 18, 2020

1. Why are secondary campuses able to have events but not elementary campuses?

**** Please see DEIC Answers link****

2. Classlink - QR Codes are now available to ease student login process in the younger grades.
3. Will masks be required for all students? Masks for all grade levels.
4. Will quarantine numbers published? The district is required to post positive Covid cases.

V. Questions/ Concerns

1. Will there be a calendar adjustment in days or hours since we added minutes at the beginning of the school year? Yes, our minute requirements could be satisfied early. We could be able to end early but no earlier than May 17. The online testing window extends to May 28th. There is not enough time to test between the 10th and 17th when the testing window opens.

**Mr. East will ask for clarification at the next Principal's meeting as to what the district is considering.

2. Quarantine and Delivery of Materials for these students is still a pressing issue. We are doing the best we can amidst the circumstances.
3. Concerns were also expressed about how our accountability scores could be affected based on this data point.
