Review Minutes of November Meeting

*Minutes were approved*

Review DEIC Minutes from last month

Review Donuts with Grownups event

*Overall we loved the event. Mrs. Kubin thanked those that helped and teams that were involved. About 300 students and families came and ate together. It ran so smoothly. One idea was brought up to have more than one photo booth to help with the long lines.*

*Mrs. Kubin will send out a parent survey and teacher survey.*

Campus Improvement Plan March Review

*Kubin asked if we could have a quick meeting in April, look at the CIP, and then approve it to turn in. April 2nd was decided on. Kubin will send out the current CIP and give about a week to look it over and send back any thoughts.*

Campus Vision Statement

*Take a look at the district's value statement and Clift's and let's decide and make changes to update it by the end of this school year.*

Frontline training and MTSS training

*These trainings are 9 hours to complete. On March 6th, we will have about 45 minute STOP the Bleed training and then we will have 3 hours of the MTSS training.*

*Frontline training will be carried out during 3 planning periods for each grade level. This will be done by Dana James.*

Annual Campus Needs Assessment

*This is what drives our campus improvement plan. As we split up the different areas (Perceptions, Demographics, Process and Programs, Student Achievement) make sure you are on a different area than you were last year. This helps us grow and may help us see things in a different way. Don't skip the strengths. We want to show what we are doing well so we can*

*apply these strategies to our weaknesses. Make sure you give some ideas for strategies you think we will benefit from and essentially make our campus better from year to year.*

#### **Music Notes Performance**

*Mrs. Colwell reports that Mr. QUE can come either in April or May. The committee decided the May 19th date if possible.*

#### **Open**

*1 - Mrs. Kubin gave examples of the purpose of the CEIC and DEIC as well as appropriate questions to take to the DEIC. Jenny Bridges added how it may be something that is a little annoyance that maybe can be addressed before it becomes a big issue.*

*2 - Class pictures are coming up. Feb. 27th*

*We are doing whole groups so want to decide on a picture place.*

*Mrs. Colwell asked about the hours of CM being closed and if we can open it from 8:00 - 8:30 in the morning to be accessible to students.*

*Do we know what lesson plan template we will use next year? Kubin responded not yet.*

*Can we change our specials time next year?*

*We will look at the duty schedule.*

*Jenny gave updates on the district rezoning and the expansion of Waxahachie.*

#### **Questions for DEIC**

*3- Mrs. Hall asked why we are moving to a 6 week grading period when the majority of the elementaries voted for the 9 week?*

#### **Adjourn**

# Campus Education Improvement Committee

Meeting Date: February 5, 2020

3:30 P.M.

Clift Elem. Library

Committee Role	Name	Position	Signature
Administrator	Christi Kubin	Principal	
Assistant Principal	Monika Bray	Assistant Principal	
Counselor	Anita Barnes	Counselor	
Classroom Teacher	Chrissy Colwell	Teacher
