

CEIC Meeting

1/13/21

Meeting started at 3:45

Agenda Items Discussed:

- Updates provided to Community Members
- "Tell Me Something Good"
- Formative Review of CIP
- Open Forum: Questions, Concerns, Feedback

Meeting Discussion:

➤ Good things:

The meeting started with good things. Teachers shared out a couple of things that have been positive. Mrs. Moseley shared a sweet letter a student wrote to her. Ms. Moon shared some great growth that she has seen in her students since returning to school after Christmas. Mr. Bruce shared about a student being more engaged since coming back to school. Mrs. Allen reported a student that started the year on a DRA 38 and is now a DRA 50. Mrs. Hawkins shared that Mrs. Tillman's class all improved on their DRA levels.

➤ Updates:

Mrs. Malone shared updates on campus. We met with the PTO board and are going to do another fundraiser to sell chocolate bars. More information about that to come. They will also start sending out a monthly PTO video to keep our community informed on PTO decisions and how they are supporting the campus this year.

➤ Formative Review:

Mrs. Malone shared the CIP with our committee members prior to the meeting and requested committee members to come to the meeting with feedback/suggestions. CIP was updated after the meeting based on given feedback.

Open Forum:

- Mr. Bruce asked about when their Bridge courses were due? Mrs. Malone shared that artifacts were due by January 21st.
- Mrs. Moseley asked about "Dance Fridays," regarding a different method to play music as the music is currently being played directly through the intercom speaker and in some classrooms the music is not clear. We will follow up with David to make sure teachers can hear the music in their classrooms. At this time we will not add an additional music link to our W-drive as we want to be mindful of instructional time and not take away time needed for daily SEL lessons.
- Ms. Gordon asked if we could rotate morning duties to spread the love? Administration will review the duty schedules and follow back up with staff.
