- Clift's Mission: *The mission of Clift Elementary is to strive to serve the community by fostering authentic student growth through high levels of innovative learning."*

- Celebrations
- Review of [School-Parent Compact](#)
- Review of [School Parental Involvement Policy](#)

Meeting Discussion:

Parent Engagement Ideas: Skyward How To/ Loom Video to send out to families and a IXL How To video for parents

Open Forum: Questions, Concerns, Feedback

1. When you send out Title 1 reminder- This is a meet and greet event, If you need a parent conference you will need to set this meeting up at a different time.
2. SEL lessons- format; not enough **meat** *High emotional need/ Students need opportunities to practice coping skills.
3. Dismissal- radios stopped working. Update on getting new radios?
4. Science Lab- door is now locked and students interrupt others trying to find a master key to open the door while their students are in the hallway. Option: keypad
5. DIR-S APP- Not working; Email was sent from Oliver saying this is a district wide issue and they are working on
6. Students in upper grades who are reading at lower levels need leveled readers to send home for reading practice. Jacquez has books in her classroom that could be utilized.
7. What is Learning Dynamics Texas?- lots of boxes/books were delivered over the summer.
8. Innovation Time- possibly next 6 weeks have 4th/5th grade combined together instead of Kinder; it is also a dismissal issue because 5th grade isn't guiding the Kinder kids and Kinder is confused.
-Possibly move Kinder Innovation to the morning - 7:15-8:15 and each class does a club instead of separating them up.

CEIC Members in Attendance:

Danielle Ardle, Kinder

Cinda Maples, 1st Grade

Katrina Stewart, 3rd Grade

Jessica Willeford, 4th Grade

Michelle Sesker, 5th Grade
