Projections based on these assumptions:

The beginning balance is based on the adjusted 8/31/19 cash balance of \$645,066 plus the actual invested balance of \$22,293,499.

Tax revenue is based on total taxes budgeted for 19-20 and divided per month based on 18-19 collections.

Tax revenue includes General Operating only - not I&S, and includes budgeted amount for current, delinquent and penalties.

State/Other revenue based on budgeted revenue for General Operating and Federal/State Special Programs.

The September amounts are actuals. The October thru August are projected amounts. These projections do not include Child Nutrition, Lighthouse for Learning, Child Care Center, Student Activity Campus Activity, Interest and Sinking or Capital Projects - which all have separate bank accounts.

Payroll expenses are based on September's actual payroll expense and certain fluctuations anticipated throughout the 19-20 year - including substitutes and retiree payoff's.

Accounts payable amounts for September are actual. October through August are projected amounts. These projections only include General Operating and Federal/State Special Programs.

Because publishers frequently change the availability of titles, we may not be able to ship 100% of your list. Therefore, we encourage you to use our Do Not Exceed service. When placing an order:

1. Enter a Do Not Exceed amount on your order,
2. Over order 10% by listing additional titles on your list, and
3. Indicate any top priority titles by checking the "First Choice" box next to the titles.
