- Hallway and classroom painting update?
 - Hallways painting should begin in January (once they have completed Shackelford)
 - Classroom painting will not happen this year, but I am pushing for next summer; however once they paint classrooms we will not be able to paint accent walls of whatever color we choose.
- Keep pushing for campus improvements and remodeling of cabinets; paint peeling off due to water damage, blinds, removal of lockers in K-2 and hooks to replace
 - Continuing to walk the building with the superintendent consistently to show updates and needs
 - New smart boards will be installed in K-2 classrooms in the very near future.
 - For blinds, if they are broken send an email for a work order to Lori
- Replacement of ceiling tiles that are stained?
 - Send the information to Lori via email to place a work order
